## Dear Parents,

Welcome to the World Karate Kids Program Tiny Tigers. Our Tiny Tigers Program designed for pre-school children between the ages 3 to 6.

This remarkable program will introduce your children to the positive influences of the martial arts by stressing self-discipline and positive values.

One of the best gifts you can provide your children is the opportunity to possess the **POWER** of a successful life.

What are these **POWERS**? Patience, Concentration, Humility, Self-Discipline, Self-Control, and a Strong Healthy Body with good Mental & Physical Coordination.

The World Karate Kids program is especially designed for young children from the ages of three to eight and is taught by Internationally Certified Master Instructors Veronica Amorim.

Master Amorim has been with World Tang Soo Do Association for 25 years and been teaching both the Tiny Tiger and Little Dragon program since 2000, with great success!

Our World Karate Kids also develop a more **positive attitude** and enable them to say 'No' to unhealthy peer pressure. The World Karate Kids programs consist of the Tiny Tiger Program (ages 3 to 6) and the Little Dragons Program (ages 6 to 8)

You will also see an improvement to your child's **co-ordination** as well as their overall **fitness**, assisting them in all other sport and physical activities. Our program also leads to better **self-discipline** that is the corner stone to teaching them to take responsibility for their household chores and to take ownership of their responsibilities.

We inspire our students to set goals for themselves by helping them to learn and strive for their next rank.

**"Your Child's Success is my Goal!"**
